Re: Anthony Hor nicek v. Cardworks Servicing, LLC,  
United States District Court for Eastern District of Pennsylvania,  
Case No.: 2:10-CV-03631-LP

Dear Cary and Ted:

Please allow this correspondence to confirm my telephone discussion with Cary on the 17<sup>th</sup> wherein we discussed extending by consent the Defendant's obligation to appear or otherwise respond to the discovery enclosed in your August 17, 2010 correspondence until after the Court rules on the motion to compel arbitration which the Defendant will be filing shortly. As such, the Defendant is not planning to respond to the discovery next week when it would otherwise become due. If this is not your understanding, please let me hear from you. Otherwise, I look forward to sharing with you the arbitration information we discussed during our call as well. Thank you for your courtesy.

Very truly yours,
